CLASS ATTENDANCE AGREEMENT

All students must sign this agreement by Thursday, Sept. 11 (set it on the front desk when you arrive—on-time). Failure to sign will result in a failing grade for the course. Violations will result in severe penalties in terms of significant grade reductions.

If you attend class (which is not mandatory):

1. You will always arrive on time.
2. You will never leave class before you are dismissed (unless you have made prior arrangements with Professor Story).
3. You will turn off and refrain from using all electronics (cell phones, lap tops, tablets, head phones, and the like).
